

# DYNAMITE® NUTRITIONAL GUIDE FOR DOGS

These DYNAMITE® products provide nutritional and/or topical support for the following situations:

These products are intended for nutritional and topical support, no curative properties are expressed nor implied. For instructions, see complete product descriptions. Use of these products presumes the consumption of the Dynamite® Chicken and Rice Formula Dog Food. In many cases, our dog food will make use of additional products unnecessary. The list in each category represents the possible options for each situation. For additional assistance, contact your DYNAMITE® distributor.
