

DYNAMITE® NUTRITIONAL GUIDE FOR HUMANS

These DYNAMITE® products provide nutritional and/or topical support for the following situations:

These products are intended for nutritional and topical support, no curative properties are expressed nor implied. For instructions, see complete product descriptions. Use of these products presumes the consumption of the **DYNAMITE® Basic Program** of either **Dynamite® for Adults and Children (or Dynamite® Plus™)**, **Tri-Mins™ Plus** and **Elixir™**. In many cases, the basic program will make use of additional products unnecessary. The list in each category represents the possible options for each situation. For additional assistance, contact your **DYNAMITE®** distributor.
