

DYNAMITE® NUTRITIONAL GUIDE FOR LIVESTOCK, EXOTICS & BIRDS

These DYNAMITE® products provide nutritional and/or topical support for the following situations:

NOTE: All animals can benefit from the addition of either of DYNAMITE®'s probiotic formulas: **Dyna-Pro™** or **Liquid Purrrformance™**. They may be added to the food or water to assist gut microbes. Also note that other DYNAMITE® products such as **Breeder Pac™ for Horses**, **Super Stress™**, **S.O.D.**, **Hiscrobadyne®** and other "trans-species" products are appropriate for Exotics as well. Please contact your DYNAMITE® distributor for more information on breeding and nutritional therapy for your exotic animal.
